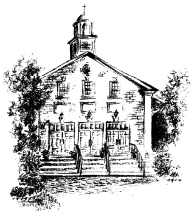
MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.



Our Lady of Hope This Week

GOD OFFERS SALVATION TO ALL WHO HAVE FAITH IN HIM AND FOLLOW HIS WAYS

The Lord welcomes to the kingdom all who believe in Him and follow Him. His mercy and love is extended to all. Let us strive not to focus on each other's differences, but to view others through the eyes of Jesus, and seek to celebrate that we are all children of God by reaching out to one another with love and kindness.

2017 FAITH Catholic-Publishing and Communications

LITURGY OF THE WORD

The first reading speaks of God's gift of salvation being offered to all people. The second reading reminds us that the gifts and call of God are irrevocable. In the Gospel, Jesus heals the daughter of a Canaanite woman because of the woman's great faith in Him.

2017 FAITH Catholic-Publishing and Communications

STEWARDSHIP THOUGHT FOR THE TWENTIETH SUNDAY IN ORDINARY TIME

In today's second reading, St. Paul tells the Romans, "God's gifts and His call are irrevocable." To what is God calling me today? What gifts are mine to share?

Catholics For Freedom of Religion

www.cffor.org

"Catholics For Freedom of Religion" was privileged to be invited to:

"A New Catholic Movement in the United States"
National Catholic Register, July 24, 2017

Over 100 Bishops joined 3,500 Catholic leaders, priests and religious from across the United States, as they gathered in Orlando, FL from July 1-4, for the unprecedented and invitation-only gathering of "Convocation of Catholic Leaders: The Joy of the Gospel in America."

"It succeeded in gathering men and women who love the Church - from all over the U.S., from various cultural backgrounds and with different roles and perspectives in the Church, ... with their bishops to pray together ... and invite the Holy Spirit to lead us in going forth," said a key organizer. The attendees spent the days in prayer and discussion, hearing from a series of speakers on a specific theme each day. Nationally known speakers included Cardinal Timothy Dolan, NY, Cardinal Donald Wuerl, Washington, Archbishop Jose Gomez, Los Angeles, law professor Helen Alvare, and Supreme Knight Carl Anderson of the Knights of Columbus.

The convocation strove to equip Catholic leaders with the tools, knowledge and common purpose to meet the next challenging years with confidence and the joy of discipleship.

Catholics For Freedom of Religion was happy to provide our ideas and resources to laymen and clergy. We shared our mission to educate and inspire, on a non-partisan basis, for First Amendment Freedom of Religion - how rare it is, how dearly it was purchased for us and how quickly it can be lost.
We were honored to be part of the Diocese of Rockville Centre delegation led by Bishop John Barres.

"We are here at this convocation to set the course for what can be a new Catholic moment in the United States."
Hosffman Ospino, Associate Professor, Boston College

Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19th century through the 20th century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.
