### **MISSION STATEMENT**

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

## Our Lady of Hope This Week

### GOD CHOSE US IN HIM, BEFORE THE FOUNDATION OF THE WORLD

God chooses us, despite our failures and shortcomings, to be His disciples. He sends us out into the world, not on our own, but in the companionship of our brothers and sisters in community. He does not leave us to our own devices, but gives power and authority through His name.

### LITURGY OF THE WORD

Amos was chosen, taken away from his work as a *shepherd and a dresser of sycamores*, to prophesy to the people of Israel. In writing to the Ephesians, Paul praises God and reminds his listeners that *God chose us in Him, before the foundation of the world*. In the Gospel, the now chosen Twelve are sent out to preach repentance and to bring healing.

### STEWARDSHIP THOUGHT FOR THE FIFTEENTH SUNDAY IN ORDINARY TIME

Today's readings are about being chosen and sent. The prophet Amos was chosen by the Lord and sent to use his talents for the people of God. The Gospel recounts the story of the sending of the 12 disciples. St. Paul reminds us that we too, are chosen. To **whom** have **I** been sent? For **what** have **I** been chosen?

### A MESSAGE FROM OUR PASTOR

Summer has finally arrived! I hope you are all enjoying this beautiful season. The last few weeks have brought, however, temperatures in the upper 80's and 90's. This has created stress and added demands on our air conditioning system. We work hard to maintain a comfortable interior temperature for all our parishioners, and in order to do so we have contacted Dynaire, our service company, to come and inspect the system for both efficiency and safety. We have been informed that a compressor fan and motor must be replaced. Additionally, a new capacitor must be installed and the refrigerant leaks must be located and repaired. Various other maintenance procedures need to be completed and we find ourselves facing a bill of \$4,357. I ask that you be as generous as possible in next week's special collection to alleviate the usual costs of air conditioning the church as well as these newly incurred expenses. Thank you in advance for your generosity.

### SUMMER OFFICE HOURS

The Church office will close on Fridays at 1pm for the months of July and August. Happy summer!

## Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19<sup>th</sup> century through the 20<sup>th</sup> century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.

**Society of St. Vincent de Paul**

*...bringing hope for a better future to people in need.*

*In the Gospel today we see how Jesus sent His Apostles out two by two. From the beginning of the Society of St. Vincent de Paul, members visit in pairs "two by two", those who are poor and needy in their homes. It is there, in the family setting, that Vincentians listen, offer humble advice and render assistance.*

**Free Speech Narrowly Upheld by the Supreme Court:**

In a 5-4 decision, the Supreme Court ruled in favor of pro-life pregnancy centers by holding that a 2015 California law requiring

these centers to promote abortion clinics alongside their pro-life services violates the First Amendment.

**"Advertising or promoting abortion runs directly counter** to the very reason pregnancy centers exist - namely to enable and support women who want to choose life for their children. The government has no business forcing these centers to violate their First Amendment right to freedom of speech and, in doing so, work against their life-affirming mission," said Family Research Council president.

**Justice Anthony Kennedy said the First Amendment bars compelling people to betray their beliefs.** He wrote, "Governments must not be allowed to force persons to express a message contrary to their deepest convictions. Freedom of Speech secures freedom of thought and belief. This law imperils those liberties."

**Many are concerned** that the matter of protecting First Amendment, Freedom of Speech, was such a close decision.

**International Report - Free Speech Under Attack:**

**Poland:** Under a new and controversial "Holocaust" law, it is now a crime for anyone to question the official nationalist narrative that Poles were solely "victims" of historical events and not complicit in the Nazi crimes in the concentration camps in Poland. Peaceful protestors, historians, teachers, journalists, or anyone else expressing opposition to historical revisionism, is targeted by the police.
