MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

Our Lady of Hope This Week

THE SON OF MAN WILL GATHER HIS ELECT FROM THE FOUR WINDS

The sacrifice of Jesus is perfect and complete, atoning for our sins, and He will one day come again to gather to His side all of us who have followed Him. In doing this, He will judge between the living—those who have remained faithful to His commandments—and the dead: those who lived lives *not as* disciples. Christ’s judgment, then, simply *reflects* our status, it doesn’t *impose* it. God has chosen us for His own—we are the elect. Let us respond by choosing it for ourselves, as well.

LITURGY OF THE WORD

Daniel heard the word of the Lord describing an end time where those who sleep will either awake to life everlasting or to everlasting disgrace. In the second reading we hear that by Christ’s one sacrifice, we are made perfect. In the Gospel, Jesus tells of the day that the Son of Man will come in glory to gather His elect.

A MESSAGE FROM OUR PASTOR

Stewardship of time is one of the three interlinked dimensions of our call to stewardship. Just as with our financial resources, we talk about spending time, saving time and wasting time. But how well do we steward our time, or use it in a way that reflects our gratitude to God for every hour of every day? According to the latest government survey, the average American spends about 5 hours of “spare” time each day in these activities:

- 2.8 hours watching TV
- 38 minutes socializing and communicating
- 20 minutes reading
- 20 minutes using the computer for fun
- 17 minutes participating in sports, exercise, active recreation
- 16 minutes relaxing and thinking
- 20 minutes on “other activities”

We have an opportunity, particularly as we prepare for Thanksgiving and the coming of Advent, to consider our use of the gift of time. We once again urge all parishioners to participate in our *Increased Offering Campaign*, which is so necessary for the upkeep and maintenance of our Parish plant. Please also consider offering your time and talent: perhaps share your musical talent with the choir, perhaps share your faith and knowledge as a religious education teacher or share your compassion by joining with the St. Vincent de Paul Society or the Food Pantry. God bless you as you ponder and reflect on these opportunities!

My prayers and best wishes and the best wishes of our parish staff to all of you for a holy and blessed Thanksgiving! If you are travelling—please be safe and return home to us after a delightful time with family or friends. If you staying close to home—enjoy the company God has given you to celebrate this beautiful holiday!

FOOD PANTRY CHRISTMAS INITIATIVE

For the fifth year, the Food Pantry is asking for donations of \$25 Target gift cards from our parish community. We will distribute these cards to each of the 30+ pantry families, based on the number of people in each family. This way, each can determine their own personal needs for Christmas. Please donate \$25 Target gift cards by dropping them off at the church office or placing them in the collection basket (marked for the Food Pantry). By December 13.

Thank you ahead of time for your participation in this program. You always amaze us with your generosity! God bless you all.

BAPTISMS AND THE PREPARATION CLASS

Coming in 2019, Baptisms will be celebrated ONLY on the Third Sunday of every month.

The class for Baptism will be held every other month on the last Sunday of the month at 11am in the lower church. The next class scheduled is December 30.

Pilgrims, Thanksgiving, & a Failed Experiment: Part 2

Few Americans realize that New England's first form of government was **collectivism (socialism)** and practiced what Karl Marx would promote two centuries later as: "each produced according to his ability and each received according to his need." The Pilgrims, a pious and decent people, discovered that even the best men cannot thrive under an incentive-crushing system. Within two years of the First Thanksgiving, the colonists had reaped shortages and starvation.

Writing in the *History of Plymouth Plantation*, Gov. William Bradford said that with the survival of the colony at stake, they contemplated upon "how they might raise as much corn as they could, and obtain a better crop than they had done, that they might not still thus languish in misery." They decided to abandon the collectivist model of government in favor of a more free model. So - they "assigned to each family a parcel of land, according to the proportion of their number, for that end ..."

A happy Gov. Bradford wrote, "This had very good success, for it made all hands very industrious, so as much more corn was planted than otherwise would have been ... The women now went willingly into the field, and took their little ones with them to set corn; which before would allege weakness and inability; whom to have compelled would have been thought great tyranny and oppression."

Thus, the Pilgrims now wished to work because they got to keep, and then trade, the benefits of their labor. They discovered that freedom is a much greater stimulus than force.

"Instead of famine, now God gave them plenty," wrote Gov. Bradford, "and the face of things was changed, to the rejoicing of the hearts of many, for which they blessed God ... Any general want or famine hath not been amongst them since to this day."
