MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

Our Lady of Hope This Week

BLESSED IS THE ONE WHO TRUSTS IN THE LORD

Faith in the power of the Resurrection gives way to a righteous and fruitful life eternal. Trusting in the Lord and striving to live the beatitudes in our everyday lives, yields much fruit.

LITURGY OF THE WORD

In the first reading, trusting in the Lord brings a refreshing life of abundance. Saint Paul, in the second reading, says that Christ's resurrection brings life to all who believe. In the Gospel, Jesus teaches the beatitudes.

STEWARDSHIP THOUGHT FOR THE SIXTH SUNDAY IN ORDINARY TIME

"Blessed is the one who trusts in the Lord." Trusting in the Lord is like throwing away all anxieties. When we trust in God, we don't fear the future or bear the problems of the present upon our shoulders; we cast them off, knowing that God is in control.

CATHOLIC SCHOOLS WEEK 2019

Catholic Schools Week is a joyful celebration of community, faith, and the gift of Catholic education! We've rounded up some of our favorite photos from the week to share with you:

Students in Nursery, Pre-K and Kindergarten enjoyed a visit from the Nature Company featuring live animals, songs and puppets.

On Step-up Day, every child from Nursery through grade 7 had the chance to visit a class on the next grade level for a fun activity.

Sports Day and our Pep Rally turned the spotlight on athletics, teamwork and school spirit!

The girls edged out the teachers by two points in our Student vs. Teacher Volleyball Game.

A visit from St. Brigid herself on her feast day!

On Family Fun Night, parents and kids could choose between our Game Show and Sweetheart Dance!

A Catholic education makes a difference. If you're interested in joining our school family, please call us at 516-333-0580 for more information or to arrange a tour.

This is a thank you from Madonna Heights-the beneficiary of the "Giving Tree", which was on the bulletin board in the vestibule of the Church during the early part of the Christmas Season. You always respond and we are very grateful!

Extraordinary reach. Unconditional care. Life-changing results.

When young people encounter Christ in their life, you have helped to empower them to live as disciples in today's world.

"My faith is so important to me – without it I would be lost. I wouldn't know what I would be doing right or wrong. I wouldn't have God's voice with me at all times."

-Youth Ministry Participant

"It's important to place young people in front of the Living God and to create encounters with the Sacraments and with God for the possibility of that conversion moment of instilling in them the Faith – to come face to face with God. It can change their lives."

THANK YOU!

Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19th century through the 20th century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.

Alert!!

Conscience Protections for Health Care Workers at Risk

New York: Calling New York State's newly expanded abortion law "ghoulish", N.Y. Cardinal Timothy Dolan said, "Those who once told us that abortion had to remain safe, legal and rare now have made it dangerous, imposed and frequent." The new law "allows for an abortion right up to the moment of birth; drops all charges against an abortionist who allows an aborted baby, who somehow survives ... to die before his eyes; mandates that, to make an abortion more convenient and easy, a physician need not perform it; and might even be used to suppress the conscience rights of health care professionals not to assist in the grisly procedures."

The law proclaims **"Every individual has the fundamental right:**

- * ...to choose contraception or sterilization
- * ...to have an abortion

The term "fundamental right" is extremely significant since it incorporates the constitutional law principle that these "rights" cannot be regulated except in the most narrow way possible.

Therefore, the language of the law poses a direct threat to religious freedom and conscience rights. It gives the state the authority to deny licenses to individuals and institutions that do not provide or cooperate with abortion.

The United States remains one of only 7 of the 198 nations in the world to allow abortion on demand past 20 weeks. These are North Korea, China, Vietnam, Singapore, Canada and Netherlands. Research shows that unborn babies feel pain at 20 weeks and most even earlier.
