MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

Our Lady of Hope This Week

JESUS CHALLENGES US TO ACT WITH LOVE

Being a Christian—truly following Jesus—isn't easy. Today's Gospel is a reminder of that fact. Jesus describes what it means to act with love. He challenges us to do what seems humanly impossible: to love our enemies and forgive those who hurt us. These are not easy tasks! Only with the help of Jesus can we truly do what He commands.

LITURGY OF THE WORD

In the first reading, David does not allow anyone to harm Saul when they have the opportunity to do so, and makes it clear to Saul's troops what he did. In Corinthians, Paul describes Jesus as the second Adam, the spiritual man. Jesus, in the Gospel, explains to His disciples all that the commandment "to love" entails.

STEWARDSHIP THOUGHT FOR THE SEVENTH SUNDAY IN ORDINARY TIME

Love your enemies. This is often much easier said than done! However, it must be done. Jesus shows us this when He prayed for His persecutors. It may be easy to hate your enemy, hold on to anger and become bitter, but God calls us to much more. Hate the sin, but love the sinner; God commands it for our own good.

Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19th century through the 20th century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.
