### **MISSION STATEMENT**

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

## Our Lady of Hope This Week

### STRIVE TO ENTER THROUGH THE NARROW GATE

Today we are given fair warning by Jesus that we should strive earnestly to enter the kingdom of God, and not simply assume a place will be reserved for us. So let's make an effort, as we travel the path of discipleship, to travel lightly, unencumbered by unnecessary attachments to the things of this world.

### LITURGY OF THE WORD

In the first reading, God proclaims that He comes to gather all nations. The second reading exhorts the Christian community not to disdain discipline, as it originates from God's love. In the Gospel from Luke, Jesus tells His followers to strive for salvation through the narrow gate.

## Our Lady of Hope Grotto - Memorial Garden

4"x8" engraved brick memorials are now available for the brick pavement in front of the Grotto of Our Lady of Hope on the east side of the church. The funds raised as a result of this project will be used to complete the beautiful pipe organ in the church begun in 2002. The economic down turn and emergency repairs on the church building and systems, required a delay in completing the organ. While the entire organ has been in the building since 2004, there were only funds to have 1,500 of the 3,000 pipes working. The loudest sets of pipes were installed, leaving the softer sounds to be set up at a later time. Our organ is among the most beautiful on Long Island and is very unique in that it is built of "recycled heritage" parts, many over a century old. Our organ contains the choicest pipes of organs built by the best organ makers of the late 19<sup>th</sup> century through the 20<sup>th</sup> century. The magnificent carved oak case was formed of elaborate choir stalls from a former monastery chapel. The system which operates the keyboards and pipes is run by state of the art computers. Please consider memorializing a loved one, while at the same time helping the parish complete one of its most beautiful attributes.
