MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

Our Lady of Hope This Week

LOVE YOUR NEIGHBOR AS YOURSELF

Our readings today work together to teach us about the real obligations of the law, which include gently correcting one another so that our communities may be in harmony. Paul explains how we must do this, and do all things, with love. And Jesus promises to remain with us always.

LITURGY OF THE WORD

In the first reading, the Lord tells Ezekiel that he will be held responsible for the death of the wicked one if he does *not speak out to dissuade [him] from his way*. In the Letter to the Romans, Paul writes that *the one who loves another has fulfilled the law*. In the Gospel, Jesus gives instructions for correcting another, gives authority to bind and loose, and promises *where two or three are gathered together in my name, there I am in the midst of them*.

STEWARDSHIP THOUGHT

St. Paul tells us in his Letter to the Romans that to love our neighbor is to obey God. When we love our neighbor, we recognize the dignity in that person and realize that they are also created and loved by God.

RELIGIOUS EDUCATION

The Religious Education office is happy to announce that we will be celebrating our sacraments!!

First Holy Communion will take place on Saturday, September 26 at 9:30am and 11:30am. The sacrament of Confirmation will be celebrated on Wednesday, October 7 at 9:30am and 11:30am. Please keep the children in your prayers. Letters have been sent out and a copy can be found on the Our Lady of Hope website.

We have all been anxiously waiting to see what this Religious Education year would look like. All parishes throughout Long Island have been working together to try to put the best programs we can under the current situation. The CDC protocols, as well as the government mandates that we would have had to put in place here at Our Lady of Hope, make it impossible for us to have in-person classes. After considering the safety of the children and our catechists, it has been determined that our Religious Education program for this year will be virtual. We will be implementing a brand new program which will keep our children and parents engaged in their faith. A detailed letter has gone out to parents and catechists explaining our program for this year. We thank the parents and catechists for all their support throughout the year.

Taking into consideration the unusual accommodations that parents and children need to comply with for the starting of this school year, Religious Education classes will start Monday, November 2 for all levels. This will allow parents and children time to adjust to these new changes.

Calling all catechists: The Religious Education office is asking for your time and talent to teach our children about our faith and our relationship with Jesus. If you would like to teach, please contact the office at 334-4781, we would be very happy to have you join our community of catechists.

Registration for incoming Level 1 children is still open. The forms can be found on the website or call the office. The office hours are Monday, Tuesday, Wednesday and Friday-10am to 3pm and by appointment. 334-4781

The Religious Education office wishes everyone; children, parents, teachers and staff a blessed and healthy school year!

FOOD PANTRY NEWS

Since April, the Food Pantry has been operating on a once-a-month schedule for our clients, as compared to the every-other-week schedule from the past. Instead of handing our food in Midura Hall, we ask clients to stay outside in their cars and we deliver food bags directly into their trunks. We coordinate with the St. Vincent de Paul Society who are present to hand out grocery store vouchers.

We have been able to continue to offer food due to the generosity of the community. Over these past months, a food drive publicized on Facebook, gathered great results. Thank you to all who participated. The Carle Place Fire Department and the Senior Citizens organization have had drives to fill our shelves. Parishioners have donated cash so we are able to buy items needed. Weekly food donations continue to be placed in the pantry bin in the vestibule of the church.

Currently, we are operation with a reduced staff as many of our committee members are staying safely away from extra social interaction. We still work downstairs, packing bags and stocking shelves, just on a more regulated, controlled schedule.

We plan on continuing in this manner for the foreseeable future. Plans for the holidays are still under discussion and we will seek your assistance when we decide on the details.

Finally, something we beg you to be aware of is the expiration dates on donated food. As people have sheltered in place, evidently more house cleaning of kitchens has been done. We have received many very large cartons of expired food that we cannot distribute to people. While we personally may use these items in our own home, we cannot give out expired items. This food creates a lot of work to move, sort through and dispose. We appreciate the thoughts but cannot use these things.

Currently the pantry is in need of :

- Bottled juice
- Jarred pasta sauce
- Boxed dry potatoes
- Canned vegetables

We thank you for your generous support. You are the only reason this stewardship can exist.

Let us pray...
