MISSION STATEMENT

We, the parish family of Our Lady of Hope, commit ourselves to continue the mission of Jesus Christ, to proclaim His Gospel, and to love one another as He loves us. We are a welcoming community of faith, guided by the Holy Spirit and centered on God's Word and the Eucharist. Through the Sacraments, prayer, and the stewardship of our God-given gifts, we provide opportunities to grow closer to God and to serve members of the community.

Our Lady of Hope This Week

CHRIST’S DOMINION IS ETERNAL

Today’s solemnity, by which we close the liturgical year, reminds us that Christ is king and ruler of all. He is the *firstborn of the dead* whom all power and authority has been invested. By our baptism we share in that holy and royal identity so that we might witness to His glory and kingship before the world.

LITURGY OF THE WORD

Daniel has a vision of *one like a Son of Man coming, on the clouds of heaven*, receiving dominion and kingship over all creation. In the second reading, John writes of Jesus Christ as the faithful witness who *is coming amid the clouds*. In the Gospel, Pilate asks Jesus if He is *the King of the Jews*, and Jesus responds, *my kingdom does not belong to this world*.

STEWARDSHIP THOUGHT

A MESSAGE FROM OUR PASTOR

The month of November is wonderful in our celebration of Thanksgiving Day. In a 1789 proclamation, President George Washington called on the people of the United States to acknowledge God for affording them “an opportunity to peaceably establish a form of government for their safety and happiness” by observing a day of prayer and thanksgiving. Thanksgiving became a national holiday in 1863. In that year, Abraham Lincoln asked all citizens to “set apart and observe the last Thursday of November as a day of thanksgiving and praise...” In 1941, Congress designated the fourth Thursday in November as Thanksgiving Day, thus creating a Federal holiday. Interestingly our word EUCHARIST means: Thank you or to say thank you to God. Our Catholic tradition seems to have set a tone for what we as Americans would eventually celebrate as a national holiday!

My prayers for all of you and your families—Have a Blessed Thanksgiving!

FIRST SUNDAY IN ADVENT

Sunday, November 28 is the First Sunday in Advent. That begins a new Cycle in our Sunday readings. **All Lectors** are encouraged to pick up their new Lector workbooks in the Sacristy at their earliest convenience.

This collection supports programs that empower people to identify and address the obstacles they face as they work to bring permanent and positive change to their communities. Learn more about the CCHD at www.usccb.org/cchd.

CHRISTMAS INITIATIVES FOR 2021

As we did last year, we will be collecting gift cards **only** for Madonna Heights and the Bronx school. You, the parishioners of Our Lady of Hope, are always very generous and we saw a positive response last year. So we are asking for gift cards **only**. This will eliminate the congestion in the main office and also possibly lessen foot traffic during a season where virus spread is a concern.

For Madonna Heights: Gift cards for Amazon, Target, Walmart, Bath & Body Works, Starbucks and Dunkin. (In any denomination)

For PS 10x at 817: Gift cards for Target, Walmart and any Visa or Mastercard generic card. (In any denomination)

We are also collecting **\$25 Target cards for our Food Pantry clients**, so we ask you to put your donation in an envelope and mark it for where you want it to go; either Madonna Heights, PS 10x or Food Pantry. The deadline for all 3 entities is Wednesday, December 12. The cards can be dropped off at the main office or dropped in the collection basket. (As long as they are marked for a specific program.)

Thank you for thinking ahead and helping to make this Christmas season merry and bright for so many. Your support of our Parish and of others is a constant source of encouragement and is deeply appreciated!

Focus on Religious Freedom

It is the duty of all Nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for his benefits, and humbly to implore his protection and favors.
- George Washington, Thanksgiving Day Proclamation, October 3, 1789

Pilgrims, Thanksgiving, and a Failed Socialist Experiment

Each year, Americans celebrate the First Thanksgiving recalling the heroic Pilgrims who, seeking to escape religious persecution and longing to practice their religious beliefs in peace, sailed from England on Sept. 6, 1620, to the unknown New World. With the help of local Native Americans, the Pilgrims learned to plant crops and survived. At the harvest they gave thanks to God with a Thanksgiving feast.

While most Americans know this story of the First Thanksgiving, few know the tragic story of what happened at the harvest after two years of... "The Experiment."

The Experiment: The Pilgrims had decided that their new community would create a collectivist model of governance where all labor was communal, with men raising crops for all families, not just their own, and sharing the harvest equally. Women engaged in domestic chores of cooking, sewing, etc. for themselves as well as their neighbors. The result was that few did more than the minimum amount of work because the fruits of all labor were shared equally whether a person worked hard or a little. Incentive to excel was destroyed. Within two years, the result was shortages and starvation.

The Pilgrims' Governor, William Bradford, described the folly of collectivism: "For this community was found to breed much confusion and discontent and retard much employment that would have been to their benefit and comfort. For the young men, that were most able and fit for labour and service, did repine (complain) that they should spend their time and strength to work for other men's wives and children without any recompense (payment)... And for men's wives to be commanded to do service for other men, as dressing their meat, washing their clothes, etc., they deemed it a kind of slavery, neither could many husbands brook (tolerate) it." ⁽¹⁾

The Pilgrims had unwittingly adopted a form of governance that, if made permanent, would soon deprive them of the religious freedom they had just fled England for. Two centuries later, describing the requirements for a socialist economic system, philosopher Karl Marx wrote, "Religion is the opium of the people. The abolition of religion as the illusory happiness of the people is required for their real happiness." ⁽²⁾

(libertyunderfire.org; townhall.com; historyofmassachusetts.org; mayflowerhistory.com (1)
 catholicworldreport, 11/11/19(2); crisismagazine.com

"Socialists, therefore, by endeavoring to transfer the possessions of individuals to the community at large, strike at the interests of every wage-earner, since they would deprive him of the liberty of disposing of his wages, and thereby of all hope and possibility of increasing his resources and of bettering his condition in life." - Pope Leo XIII, in Rerum Novarum

"Each individual Christian and every community is called to be an instrument of God for the liberation and promotion of the poor."

-Pope Francis

This Veterans Day, Help us Support A Place to Call Home

Charles spent 17 years deployed at military bases throughout the world. Returning home after an incident involving nerve gas, he began struggling with debilitating bouts of anxiety and depression.

His circumstances worsened and he couldn't maintain a steady job. Charles moved in with his mother, but within a year she died and his childhood home went into foreclosure.

Catholic Charities' *Project Veterans' Independence*, which guides homeless veterans into permanent housing so they can live independently and have access to support networks that get them back on their feet, reached out and helped Charles.

"I was out of the service, out of a family, out of a job and out of a home. Catholic Charities found me and helped me to not only find a place to live - but they helped me to turn my life around."

- Charles, honorably discharged US Veteran
